Why Pre-School is Important?

Pre-school creates happy, independent confident child that have hands of experiences. Its important for us that the children have respect for themselves, each other and their environment. We also like to nurture them for future with enthusiasm, positive attitude and sense of fun.

Parent as Partner

We Value the partnership and support od parent to provide a safe, stimulating and nurturing environment to encourage each child's holistic development. MCS believe that respectful, caring bonds with children and their families are vital foundation for wonderful pre-school experience.

PARTNERING WITH DREAM SPIRE SCHOOL

At Dream Spire School we believe that each child is born with a unique set of gift and talent, and the role of education is to provide the environment to develop those talents. We understand that in order for children to succeed in today's highly competitive and tech savvy world, they need a whole new set of learning and cognitive skills. Which is why we have developed the unique "Dream Spire School" concept which ensures that our kids are self assured, inquisitive, and better prepared for school and the life ahead. A concept that makes the entire early education process a child's play.

PRE-N

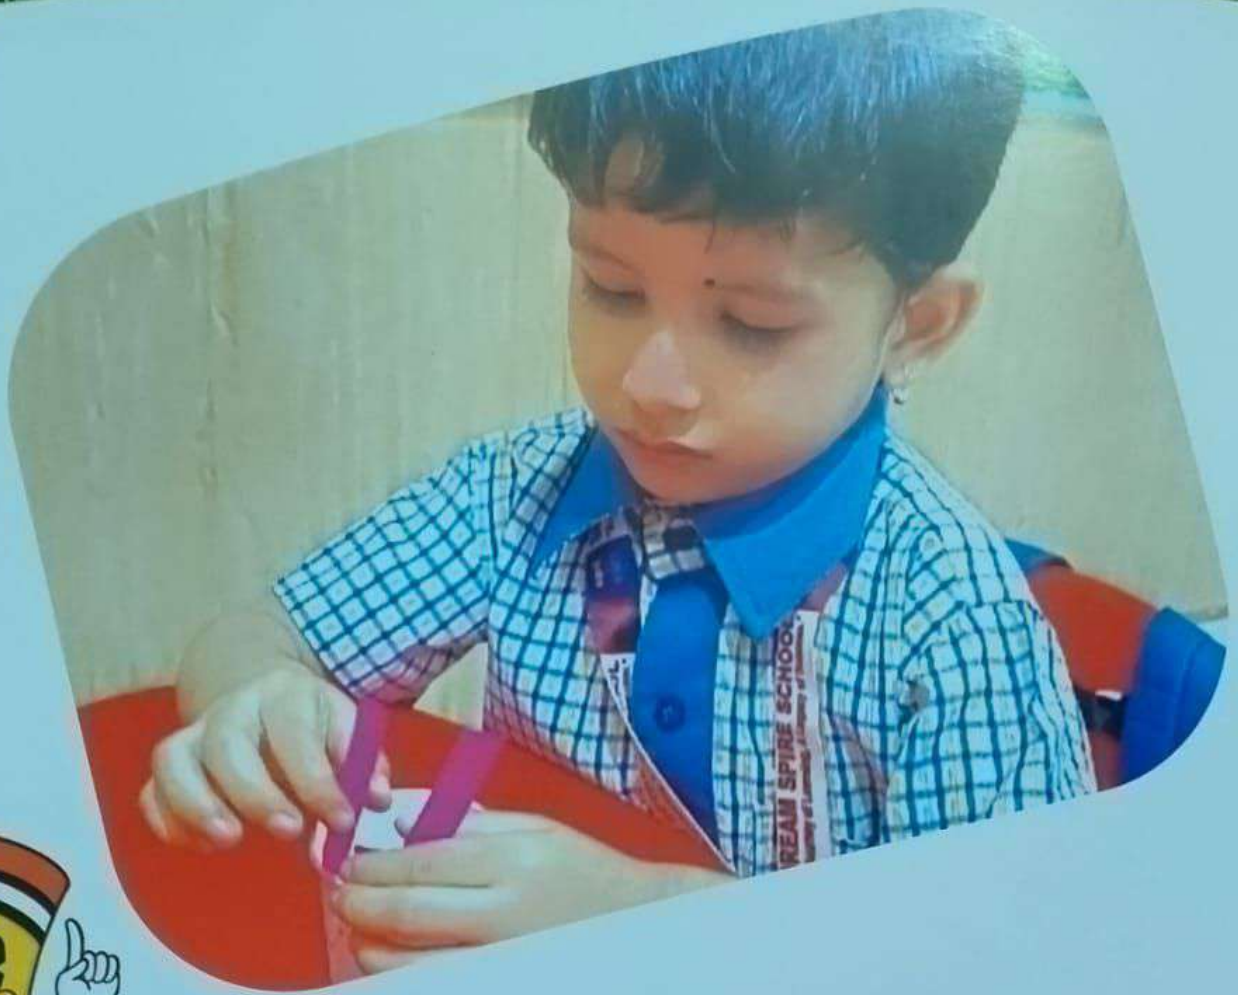

Director's Message

I wish to extend a warm welcome to our DSS Family. At DSS the uniqueness of each child is recognized, nurtured and treasured. Emphasis is on **LEARNING** and not on teaching. Our focus is to develop our children as global leaders, with tolerance, respect and appreciation of diverse cultures and religion for a life-time learning experience. They should be self motivated, independent, confident decision makers to take leadership roles in future.

We at DSS provide holistic education where children evolve as individuals who are self-motivated and creative, who can think, question and reason out logically: who are independent, confident and leaders capable of taking decisions.

Warm Regards
Mr. Piyush Jain
